Section 7 of the Madras Forest Department. Code empowers the C.C.F. to sanction temporary establishment other than work charged for a period of one year at a time and also to revise the rates of pay of the posts belonging to this temporary establishment. Mahouts and cavadies are men employed under section 7 of the Forest Dept. Code for the upkeep and maintenance of the elephants belonging to the Forest Dept. The existing pay of these men ranges from Rs.15 to Rs.25-8-0 in the case of Mahouts and from Rs.12 to Rs.18 in the case of Cavadies. They are also reported to be eligible for Dearness Allowance at Rs.18 p.m. or Rs.19 p.m.

In a letter dated 30-3-50 the C.C.F. proposed that the rates of pay of the Mahouts and Cavadies in the Forest Dept. may be revised to Rs.20 to Rs.28 per mensem in the case of Mahouts and Rs.16/- to Rs.22/- in the case of Cavadies. This Dept. and also Fin. accepted the C.C.'s proposal. As the extra expenditure on account of the proposal exceeds Rs.10,000/- per.annum, the Finance Dept. suggested that the proposal may be placed before the S.F.C. and the Cabinet. The file was then circulated to H.M(Prohn) and H.M.(Fin) for orders whether the proposal will be placed before the S.F.C. The H.M.(Prohn) has ordered that the salary of Mahouts and Cavadies may be raised by Rs.2/- a month. H.M (Fin) has agreed with H.M.(Prohn). As the extra expenditure according to the orders of H.M.(Prohm) works upto Rs.5016/- only the proposal need not be treated as as a "New Service". But as the extra expenditure exceeds Rs.5,000/- Finance have stated that the case should be circulated to H.C.M. A draft order, which has been accepted by Fin. is placed below. The file may now be circulated to H.M.(Prohn) and H.C.M. for orders whether it may issue.

- May issue.
